CALLAWAY CATTLE COMPANY

Please consider this as your personal invitation to the 7th annual Afford-a-BULL sale. Again, as last year, it will be held at the MM/Glore Cattle Company sale facility in the Tyus community of Carroll county in West Georgia. As we think back to last year's sale we are reminded of all the rain we had during the week prior to the sale. It sure would be nice to see some of that kind of weather pattern for a change as September has been tough and October doesn't look much better so far. It's nice to know that every drought we've ever seen always ended with a good rain! We hope moisture levels have been corrected by sale time.

We have cataloged 72 bulls and 40 bred heifers for this 2019 sale. If you are looking for calving ease "heifer bulls" we've got 'em. Or if you're in need of "growth bulls" to add pounds to your calf crop we've got 'em. You will find we've got plenty of each to offer.

All the bulls were ultrasounded by Dr. Dean Pringle, Pringle Imaging in late September for Marbling scores, REA and Backfat. You will see the actual scores on each bull as well as his carcass trait EPDs.

Dr. Phillip Wilson, Southland Veterinary Clinic did Breeding Soundness Exams on all the bulls in late October. Every bull in the sale passed and all are fully guaranteed for the first breeding season when exposed to a reasonable number of cows. Our general rule of thumb is one cow for each month of age of the bull.

Please keep in mind these bulls have been grown out and developed in large pastures with free choice hay. They have been hand fed once per day rations designed to allow them to express their genetic potential but not get fat. These bulls are athletic and ready to cover some cows.

All the bulls in the sale exceed the breed averages in many traits. All EPDs and their percentile rankings are printed in the catalog. You will see that many of these bulls rank in the top 5, 10, 20 or 30% of all the Angus and SimAngus™ bulls in the country. If we can help interpret any of these numbers please don't hesitate to ask.

Again this year our good friend and long time bull customer, Clay Allen of Honeywood Farms at Barnesville, GA is bringing 40 nice bred heifers to the sale. The heifers were ultrasounded for pregnancy on September 5th by Greg Clements of Dogwood Genetics. See all the pertinent info on all these girls listed on the back inside cover of the catalog. All heifers are bred to calving ease bulls purchased out of our sale or are A. I.'ed to the Select Sires Angus bull Sure Fire.

We would like to express our gratitude to all our many valued customers over the years. Thank you for your business, your confidence in our programs and most of all your friendship.

Make plans to join us anytime on Friday to view the cattle at your leisure. Then on Saturday morning we'll have coffee and pastries first thing with lunch served at 11 AM followed by the sale at noon. We hope to see you then.

Mike and Christy McCravy

Thursday, November 21 – Cattle available for viewing after 12 noon
Friday, November 22 – Cattle available for viewing all day
Saturday, November 23 8 a.m. – Coffee & donuts
11 a.m. – Lunch
12 NOON – SALE

SALE STAFF

Auctioneer: Carroll Cannon 229-991-0721
Ringman: Glenn Smith 478-747-6539
Ringman: Paul Wall 678-898-0028

ABSENTEE BIDDING

If you are unable to attend the sale but wish to bid, please contact us in advance or on one of the Sale Day Phones in order to register. We will connect you with a representative that will assist you in bidding live during the auction via telephone. If you are unable to be on the phone during the auction a bid may be left with any of the sale staff or either Mike, John or Wes. All bids left in advance will be handled with integrity.

HEALTH

Bulls have been vaccinated for IBR, BRSV, BVD, PI-3, Pasteurella, Leptospirosis, Vibrio and Clostridial diseases. All bulls have been wormed alternately with Dectomax and Valbazen and all are virgin bulls. Proper interstate health papers will be available at checkout.

FERTILITY

All bulls have been semen tested by Dr. Philip Wilson approximately 30 days prior to sale and will be accompanied with proper documentation.

Cell service is limited inside sale barn, please plan to call ahead.

TERMS AND CONDITIONS

All Bulls sell under the terms and conditions of each breed association. We guarantee all bulls sold in this sale to be fertile for the first breeding season if they have been given proper care. If a bull fails to settle cows during the first breeding season, we will provide a satisfactory replacement if one is available, or issue a credit, less salvage value toward next year's sale. If there is a problem we would ask to be notified as soon as possible. This is not a life insurance policy. We would suggest that proper care and nutrition be provided to these animals.

WINTER CARE

If you are not ready to take your bull(s) at sale time, we offer a Winter Care program for \$3.00/day. There will be no guarantee against injury or death other than we assure you that care of the bulls will be to the best of our ability. We recommend that you protect your investment with insurance. All bulls can be kept free of charge until December 1, 2018 with the daily charge beginning on this date.

LIABILITY

All persons attending the sale do so at their own risk. MM/Glore Cattle & Callaway Cattle Co. assume no liability for property damage or accidents that may occur.

INSURANCE

Insurance for your purchases will be available at the clerk's desk after the sale.

ANNOUNCEMENTS

Announcements made on sale day will take precedence over information printed in this catalog.

**MM/Callaway
34 Williamson RD
Bowdon, GA 30108**

**“IF YOU’RE STRIVING FOR
COMMODITY BEEF, YOU’RE
LOSING GROUND.
GENEMAX HELPS US BUILD BETTER BEEF.”**

**DEVIN STEPHENS, Foothills Ranch, South Dakota
COMMERCIAL COW-CALF PRODUCER**

More efficiently building better-than-commodity beef starts with more informed selection and mating decisions. Visual appraisal doesn’t tell the full story. To really know that you’ve selected the right replacement heifers use GeneMax® Advantage,[™] then use the learnings to buy complementary i50K[™]-tested bulls based on superior GE-EPDs.
